

SIGN UP TODAY!!!

Spa Day is on the 26th, We will try a slightly different approach this month so here is the drill:

The sign-up sheets are posted on the reception desk.

Right now it looks like Cameo will do her facials, Cathy will do massage and we will get one of the nail ladies to come in.

Rather than commit the rest of the regular therapists for the day and then not have any sign-ups we will try to just fill in the spots and add therapists as needed.

Hopefully we can keep attendance up and have a full schedule again soon.

Thanks.
