

Don't write this down, but I find Milton probably as boring as you find Milton. Mrs. Milton found him boring too. He's a little bit long-winded, he doesn't translate very well into our generation, and his jokes are terrible.

But that doesn't relieve you of your responsibility for this material. Now I'm waiting for reports from some of you... Listen, I'm not joking. This is my job!

A very Taxing Update this week...

Come join us for free appetizers, a short presentation, and an opportunity to give your feedback on how our community plans for the future.

Worried about an IRS audit? Avoid what's called a red flag. That's something the IRS always looks for. For example, say you have some money left in your bank account after paying taxes. That's a red flag - Jay Leno

There is a Baby Food Drive through April 20th for the Montrose High School ASTRA Club to benefit mothers through Vista Charter School, Passage Charter School, Tri-County Resource Safe House and Sharing Ministries Community Food Bank.

One more helpful thing for Earth Day next Friday:

The Habitat for Humanity will have their truck in the parking lot from 9:00 to 11:00 next Friday the 22nd. If you have any of the following items sitting around your house, they would be happy to take them off of your hands. Donations received by Habitat Restore are

resold to finance cost of materials and expenses building Habitat homes. By offering hard-working low income Montrose County residents the opportunity to help build and lay claim to ownership of their homes, Habitat helps break the cycle of poverty.
