We have a wedding this weekend, best behavior etc... The locker room will be closed from like 9:00 until 1:00 or so. You are welcome to use the locker room briefly however don't be surprised if there are a bunch of crazy bridesmaids in there making noise... You may be put to work curling hair or whatever it is that is happening in there... Thanks for the cooperation!

These are the Cobble Creek riders, Tom Miller, Warren Kinzel, and Nelson Gould. They recently completed a 45 mile ride from Glenwood Springs to Aspen. The trail is part of National "Rails to Trails" which follows former rail lines through beautiful back country. Their wives Pam, Joyce, and Sarah dropped the men off in Glenwood Springs and then drove up for the fun in Aspen. Nice work

fellas.

I will be posting these over HERE at CobbleCreek.com so if your pictures don't come through you can always go see them. Also check out the calendar and everything else Creek while you are there. The Calendar is also updated, check to see all the happenings!

Let's do some sage this week -

All of us might wish at times that we lived in a more tranquil world, but we don't. And if our times are difficult and perplexing, so are they challenging and filled with opportunity.

Robert Kennedy

Like water which can clearly mirror the sky and the trees only so long as its surface is undisturbed, the mind can only reflect the true image of the Self when it is tranquil and wholly relaxed.

Indra Devi

Patriotism is not short, frenzied outbursts of emotion, but the tranquil and steady dedication of a lifetime.

Adlai E. Stevenson

The more tranquil a man becomes, the greater is his success, his influence, his power for good. Calmness of mind is one of the beautiful jewels of wisdom.

James Allen

When one has the feeling of dislike for evil, when one feels tranquil, one finds pleasure in listening to good teachings; when one has these feelings and appreciates them, one is free of fear.

Buddha

Free Indeed.
