Libra is the only inanimate sign of the zodiac, all the others representing either humans or animals. Many modern [astrologers](#) regard it as the most desirable of zodiacal types because it represents the zenith of the year, the high point of the seasons, when the harvest of all the hard work of the spring is reaped. There is a mellowness and sense of relaxation in the air as mankind enjoys the last of the summer sun and the fruits of his toil. Librans too are among the most civilized of the twelve zodiacal characters and are often good looking. They have elegance, charm and good taste, are naturally kind, very gentle, and lovers of beauty, harmony (both in music and social living) and the pleasures that these bring.

Well that is some good news... And we begin -

As usual we start with Where In The Creek -

Congatulations to Christy who knew that this is a mallard and its painted on the wall at Ted's. Nice Tries to Ann Weber and Vickie Marietta... (Happy Birthday Vickie!)

How about this -

Here's a hint - That is a fence on the left and those are the San Juan's in the back... The first to guess correctly will win fame and fortune next week!! Stop walking the midway with that cotton candy, you have to play to win!!

Mahjong will continue again next Wednesday at 1:00.

We need volunteers for the Perpetual Library Book Fund. If you are interested let me or Barb know.

The Hiking Club had some nice trips lately-

Something you've always wanted to do but need that extra nudge to try? Dare to discover your artistic self. Come on over and join Jodine Broscovak for watercolor classes beginning October 6 at the clubhouse. Classes are from 1 - 4 p.m. on Thursday afternoons. Painters look forward each week to Jodine's demonstration,

personal painting experience, and group critique participation, all adventures in color and technique. Both guys and gals are welcome. Call or email Jodine for more information and supply list. 249-5645 or jbroscovak@aol.com.

Walk along the river ... sweet lullaby
It just keeps on flowin' ... it don't worry 'bout where it's going ... no, no

Don't fly Mister blue bird I'm just walkin' down the road
Early mornin' sunshine tells me all I need to know

You're my blue sky ... you're my sunny day
Lord, you know it makes me high when you turn your love my way ... turn your love my way ... yeah

Good ol' Sunday mornin' bells are ringin' everywhere
Goin' to Carolina ... won't be long til I'll be there

You're my blue sky ... you're my sunny day
Lord, you know it makes me high when you turn your love my way ... turn your love my way ... yeah, yeah

That's the Allman Brothers

Blue Sky Indeed
