

## Standing Rules

The CCWGA 2012 Play Day season begins April 3 and continues weekly through October 4. Weekly play is on Tuesday mornings (9 & 18 holes).

Events will be played according to USGA Rules and Regulations. If you can't resolve a rules question within your foursome, circle the hole, play two balls, and consult the pro shop **before** signing and submitting your scorecard.

Sign up for Tuesday play will be on the bulletin board. Sign up by Monday at 12 noon. If you need to cancel, you must call the pro shop. Pairings will be made by the play day committee. All players will report to the pro shop at least 30 minutes prior to their tee time.

Report your results by turning in a signed and attested scorecard to the pro shop. **Adjust your score before posting.**

Special events are scheduled throughout the season. Special events already scheduled are listed on [cobblecreek.com/ccwga](http://cobblecreek.com/ccwga) web site, and also have been e-mailed to all members. Copies are also available on the bulletin board. Special criteria for each event will be posted on the bulletin board.

To play in the 18 hole or the 9 hole Club Championship rounds, a player must have played in five Ladies Day events as part of the group with which they will compete. Players may compete in only one Club Championship event.

**CCWGA qualifications for a hole in one:** any member whose has paid the hole-in-one insurance and plays on the Tuesday play day; travel team participation while playing at The Links at Cobble Creek, all CCWGA special events with the exceptions of: Ice Breaker, Duffers & Dames, and Birdies for the Food Bank

All balls must be holed out.

Please refer to the **USGA Golf Rules in Brief** hand out, or the **USGA Rules of Golf Booklet** for a summary of etiquette, order of play, etc.
